

**5651090814 — DIRECTOR, REGULATORY AFFAIRS****Description**

Johnson & Johnson Consumer Products Company Division of Johnson & Johnson Consumer Companies, Inc., a member of Johnson & Johnson's Family of Companies, is recruiting for a Director, Global Regulatory Affairs, located in Skillman or Morris Plains, NJ.

Johnson & Johnson Consumer Products Company Division of Johnson & Johnson Consumer Companies, Inc. develops and markets a comprehensive spectrum of products that address the needs of consumers and health care professionals and incorporate the latest innovations.

The Director, Global Regulatory Affairs position will be based in either Morris Plains or Skillman, NJ and serves as the senior regulatory affairs representative for assigned brand(s) and/or therapeutic area(s). Focal areas may include products that are classified and regulated as cosmetics, medical devices, OTC (NDA and monograph) drug products as well as Rx-OTC switch.

The Director, Global Regulatory Affairs position is responsible for delivering short and long term actionable US and WW regulatory strategies for new product development; implementing new product development plans in the US; leading and coordinating crisis response when in-market issues arise; review and approval of US advertising and labeling; preparing/reviewing US registration dossiers to ensure consistency and compliance with requirements; maintaining current awareness of all relevant US regulatory initiatives as well as developing and delivering specific initiatives within the global regulatory affairs strategic plan.

The ideal candidate will establish and foster positive relationships with R&D and commercial franchise partners; build a close collaboration and network for WW new product development with various regional regulatory representatives; integrate US strategies with global strategies as appropriate; manage relationships with FDA and other government organizations as necessary; represent J&J at trade associations and professional societies as well as supervise and manage staff as required.
